I understand that I am applying for a summer position that involves working full time from Memorial Day through Labor Day. There are 100 days during this time. Accepting this job means that it is expected that I work **five days** a week and at **least two weekends (both Saturday and Sunday) per month**. Time off is allowed for family vacations or a camp, but will not be more than **two** weeks. **Failure to honor this commitment could result in termination.** Lifeguards are expected to be certified or recertified prior to opening day. I will submit a copy of my certification to the manager prior to opening day. **If my family does not belong to the pool, I may not bring guests.** Guests may not interfere with my job obligations.

I understand that I will be available for opening work beginning the first Saturday in May. This time lasts from 9:00 am until about 11:30 am. I will be paid for this work. In addition, I will make every effort to be available the Saturday following Labor Day to work to close the pool for the season.

I understand that if I play a sport, I cannot quit my job when practices begin in August. Failure to comply with this obligation could disqualify me for future employment at Roland Park Pool.

I understand that if I need to change my schedule, I will contact the manager at least one week in advance and the manager will find a substitute.

By signing this paper I agree to the above terms. I have made my parents aware of the terms of employment.
